

Convocation Ferrum Vetus Team Event

Barendrecht, November 10, 2024

Organisation: Fencing Academy Zair Rotterdam i.c.w. Veterans Commission KNAS

This tournament is the third team tournament to be held under the Ferrum Vetus flag.

Limitations:

- A maximum of 18 teams can register for epee;
- A maximum of 8 teams can register for foil;
- A maximum of 8 teams can register for sabre.

The aim of this tournament is to fence as much as possible in a relaxed atmosphere. Each team consists of a minimum of 3 fencers and a maximum of 1 reserve (veteran/senior). Once check-in time has expired, teams can no longer change their line-up.

The Swiss system will be applied on every weapon, which is also used in chess. After the first round (random seeding), the winners of the first meeting fence against each other and the losers also fence against each other. After 4 or 5 rounds the winner will be announced.

Subscription:

All participants must register individually via Nahouw. Team captains must further inform us of the participants (veterans/futuri) on their team by email (FV@KNAS.nl).

Individual entrants are combined into teams by the competition management.

For the match to take place on a weapon, a minimum of four teams are required. With fewer than four teams, that weapon is not used. The registration fees will then be reimbursed by the KNAS. The Ferrum Vetus organization coordinates this with the KNAS.
