Catering

The Cafeteria is run by our club.

Remarks

Formulas:
U15 and U13
Teams are made up of 3 fencers (exceptionally 4) with the aim of forming as many teams as possible.
In U13 teams can be mixed.
The matches will take place in Italian style relays (36 touches in foil and epee, 45 touches in saber).
If there are between 1 and 5 teams present, the competition takes place in the form of a single group round. In the event of a tie in the number of victories, the teams will be decided first according to the index, then according to the number of touches given in the group. If equality persists, we will consider the particular matches between the teams concerned. If the tie still persists, the teams will be declared tied.
If there are 6 or more teams present, the competition takes place in the form of a direct elimination table (possibly with an incomplete table) where all places are drawn in classification matches. The entry ranking of the teams in the bracket will be calculated based on the individual CJL rankings of the team members.

U11

Teams are made up of 2 fencers (exceptionally 3) with the aim of forming as many teams as possible.

The meetings will take place in 16 touches.

The competition takes place in the form of two group rounds, a first ranking round and a second level group round. In the event of a tie in the number of victories, the teams will be decided first according to the index, then according to the number of touches given in the group.

We hope to be able to form as many teams as possible. In the event of an incomplete team or fencer(s), do not hesitate to contact the organizer who will centralize all these requests to form new teams.
