If insufficient referees are available, fencers will be asked to judge among themselves.

### **Tournament system**

On Saturday the intention is to fence as much as possible in a friendly atmosphere.

The team event on Saturday is mixed, the only requirement is that a team consists of 3 or more fencers on one weapon. Foil and Epee will be fought according to the Swiss system that is derived from chess. Basically after the first round a team that has won will fence a team that has won in the previous round. All equipes will fence 5 or 6 rounds after which the winner will be known.
